Krishna Tower Owners Welfare Society

How to Complete Your KYC

One form, kept up to date · takes about 5 minutes

1 Log in

Open krishnatower.in → My Account → enter your flat number and PIN. Logging in links the form to your flat automatically.

2 Open the KYC page

Go to krishnatower.in/kyc. Some details for your flat may already be filled in — just check them, correct anything wrong, and carry on.

3 Fill in every section

Owner, contact, joint owners, emergency contact, parking, and more. Sections that don't apply to you are skipped automatically.

4 Save when done

Press "Save my details" after the last section.

5 No PIN yet?

Contact the administrator (krishnatowerlko@gmail.com or WhatsApp) with your flat number; they will issue or reset your PIN from the admin panel.

Need help? If you have trouble using the website, an authorised volunteer or committee member can help you, with your consent.
